

ASHVILLE

◆ COLLEGE ◆

School Calendar

Spring Term 2012

METHODIST SCHOOLS' MISSION STATEMENT

The Methodist Church is engaged in education as part of its Christian mission in the world; its schools will seek to extend the Methodist ethos and character and contribute to diversity in education.

The schools aim:

- to be caring Christian communities committed to the development of the full potential of each individual having regard for their personal attributes in addition to their academic aspirations;
- to maintain high educational standards in all their academic, cultural and sporting activities, stimulating excitement in learning and requiring discipline in study whatever the ability of the child;
- to work with and in the communities they serve;
- to worship as Christians in the Methodist tradition; to uphold Christian values in practice as well as in theory and to make religious education a strong feature of the curriculum whilst welcoming members of other faiths (and none) in a spirit of openness and tolerance;
- to encourage pupils in a critical examination of the standards and values current in society and to discover and develop a personal faith to guide them throughout their lives.

Asheville College is a Methodist School which fully endorses the aims of the Methodist Board of Education for all its schools. It seeks to achieve each of these aims in the interest of a supportive pastoral and management structure which treats each member of the community as a person of infinite worth to God.

The school therefore expects that you will

- Be punctual at school and lessons
- Work to the best of your ability
- Complete and hand in work on time
- Dress correctly
- Participate in extra-curricular activities
- Respect your teachers
- Respect your fellow pupils, irrespective of race, gender, age, or disability
- Respect your environment
