

# Ashville College Bus Routes

These routes are reviewed annually in order to accommodate changing requirements

## **Conditions of use**

1. Coaches generally operate on time every morning but there are occasions when they run late due to traffic congestion, weather conditions or mechanical problems. **Parents and pupils should be aware that the coach will always turn up even if running late.**

If the coach is more than 30 minutes late then a call should be made to Eddie Brown's on **01423 321240**, or to the Common Room Secretary on **01423 724821** (mornings), or to the Duty M.O.D. on **07801 515077** (evenings).

2. Coaches are not always able to wait safely at all bus stops shown on the timetable.

Parents should ensure that pupils are at their respective stops at least 5 minutes before the due departure time. Every effort will be made to ensure that coaches will not leave the stops printed in bold type before the published time but they may arrive and leave a minute or two early at other stops.

3. In the evening coaches may arrive at the drop-off stops ahead or after the published time depending on the number of pupils travelling and the prevailing traffic conditions.

In the event of a query after school Eddie Brown's may be contacted on **01423 321240**.

4. If you have any problems or queries about school transport during the term please contact the school on **01423 566358**, email [ashville@ashville.co.uk](mailto:ashville@ashville.co.uk) or by letter giving full details.
5. The school and bus operator reserve the right to exclude children from the coaches for misbehaviour, repeated failure to wear a seat belt where fitted, not having a pass in their possession, or not following any reasonable instruction by a school prefect or drivers.
6. Any items of lost property may be retrieved from Eddie Brown's Depot at Bar Lane, Roecliffe, Boroughbridge during normal office hours.
