

# ASHVILLE COLLEGE

◆ PRE-PREP SCHOOL ◆

ESSE QUAM VIDERI

## welcome to ASHVILLE COLLEGE

At Ashville Pre-Prep School we believe that creating positive childhood memories is just as important as building solid foundations for future development. The educational experience should be stimulating and challenging but above all, in these vital early years, it must be happy and secure.

The pages which follow will give you a flavour of what we have to offer, but nothing can replace a visit to the school itself.

I very much look forward to meeting you and discussing the individual needs of your son or daughter.

Carol Berrie  
Head of Pre-Prep School

# realising potential school life

In this purpose-built school we have small classes and exceptional facilities. The boys and girls, aged 4 – 7, learn in a caring environment with teachers who give them time: time to understand; time to make discoveries; time to develop their skills and talents.

The Pre-Prep School has its own multipurpose hall for assembly, music, PE and dining as well as a centrally situated, open-plan library. There is a separate area for technology and baking as well as a “quiet-room” for individual or group work. The swimming pool and sports hall are both close by for use by the Pre-Prep pupils and their immediate outside environment includes an attractive, large garden where children in the Pre-Prep School learn to care for and show a responsibility for the world around them.

High standards are expected and children are encouraged to achieve their maximum potential. But we never lose sight of the fact that their introduction to the school should be a positive one: it sets the stage for how they will feel about education for the rest of their lives. By recognising and appreciating personal strengths and weaknesses, the children are encouraged to view learning as an exciting, challenging and, above all, enjoyable activity in which everyone experiences the warm glow of success.

By the time the boys and girls leave us they should be equipped with the knowledge, skills and awareness that enables them to progress to Junior School with confidence and enthusiasm.

## extracurricular activities

- Speech & Drama
- Violin
- Spanish
- Dance
- Choir
- Swimming
- Tennis
- Rainbows
- Beavers
- Judo
- Art
- French
- Recorder
- Science
- Ballet

### TEACHERPROFILE

Miss Jonquil Shulver is a graduate of Durham University, where she gained a BA Hons in Primary Education, studying Mathematics and ICT. Miss Shulver is no stranger to Ashville College, as she was a pupil here for eleven years. Indeed whilst in the Sixth Form she was a frequent visitor to the Pre-Prep School, where she helped children with their reading and with swimming. She has been a wonderful ambassador for the College and already she is a valuable member of the team. We are all benefitting from her enthusiasm and energy as well her knowledge of current research and initiatives.

In her spare time Jonquil enjoys walking, swimming, horse riding and singing and drama.

Jonquil Shulver  
Class Teacher

## experience ashville come and meet us

The best way to understand what Ashville is all about is for you and your child to come and see us. If you would like to tour our Pre-Prep School and meet our Head, please make an individual appointment by contacting the Pre-Prep School Secretary on +44 (0) 1423 724 815, or email [ashville@ashville.co.uk](mailto:ashville@ashville.co.uk)

Alternatively, you may wish to visit us on one of our open mornings, dates of which are listed on our website, [www.ashville.co.uk](http://www.ashville.co.uk)
